**4. GSP Budget and Schedule**

Enas reported that Todd Groundwater has expended approximately 34% of the budget and 43% of the time scheduled through February 29, 2020.

**5. Public Outreach Update**

Wookey updated group regarding contents of the newsletter and which is set to be sent out in late March.

**6. GSP Update**

Elliott stated they are writing the basin setting portion of Section 3 of the GSP and are working with Woodard & Curran on the groundwater model calibration. Also, Elliott and Ward spoke with Chase Hurley regarding gathering groundwater well data from the east side growers.

**7. DWR Grant Update**

Alvarez stated that City of Modesto is currently looking to hire a consultant to manage the grant, possibly Todd Groundwater. Also, they are determining final locations for monitoring wells.

**8. Next meeting:**

April 8, 2020 at 1:30 p.m. MID Conference Room 3A

**9. Items too late for the agenda**
